## Speedrooter XL

With easily interchangeable drums, the **Speedrooter XL** gives you long distance clog-busting power in 3" to 10" lines – up to 200 feet. The rugged, easy-to-manuever Speedrooter XL sports a powerful 3/4 hp motor to drive the cable down long runs and clear tough stoppages.

Change drums to add cable lengths or swap cable sizes with ease. Just loosen three knobs and remove the drum. Switch between 3/4" or 5/8" Flexicore cables in the large drum design – General's see through inner cage lets you quickly gauge how much cable remains – or substitute the small drum with 100 feet of 1/2" Flexicore cable for smaller lines.

Variable speed cable feed offers raw driving and pulling power for long, tough jobs – feeding and retrieving 3/4", 5/8", and 1/2" cables. To adjust for each cable size, simply turn a knob on top of the feed – no screwdriver required!

One person can easily load Speedrooter XL onto a truck. The machine's frame slides smoothly from the loading wheel to the handle to stair climbers and finally to the wheels. The adjustable height, swept back handle also provides maximum maneuvering leverage. And the durable design features a braced frame at key stress points, front and rear drum supports for longer bearing wear, and Flexicore® cable.
