Handy-Stand™

Handy-Stand™

The rugged **Handy-Stand** turns General's popular and reliable hand-held drain cleaners into practical countertop or floor machines. Ergonomically balanced for maximum stability, the lightweight portable Handy-Stand fits the Super-Vee®, Power-Vee®, and Handylectric®, All three models are ideal for unclogging sinks, tubs, and laundry drains.

The convenient **Handy-Stand** makes it easier for you to carry your hand-held machine to and from the jobsite. The lift handle doubles as a spare cartridge holder and protects your machine from damage. On the job, the Handy-Stand can be positioned either horizontally or vertically for maximum flexibility.

Uni-Stand™

Save your arms and make drain cleaning easier with General's new **Uni-Stand!** It securely supports your hand-held drain cleaner when you're working in tight spaces like under sinks and kitchen cabinets. Just slide the adjustable clamp around the motor housing – and lock it into place for safe, solid support. Adjust the length of the Uni-Stand leg to the height desired. Then rock your machine back and forth as you feed the cable into the line.

Uni-Stand snugly fits General's popular Super-Vee®, Power-Vee®, and Handylectric® hand-held drain cleaners. All three are ideal for unclogging small diameter lines in sinks, tubs, and laundry drains. Uni-Stand works with many competitive machines, too!
